# ABOUT COMPANY

Founded in 2005 and headquartered in the Dubai Airport Free Zone, Mediterranean Aviation Services (MAS) has established itself as a trusted leader in global aviation solutions.

At MAS, we're driven by a clear commitment to excellence in flight support. From commercial airlines and private jets to cargo operators, we deliver personalized, detail-oriented services designed to meet the unique needs of every client.

Our strength lies in a powerful combination of deep industry expertise, global partnerships, and a hands on approach. Whether it's fuel, permits, ground handling, or full trip support, MAS helps simplify complex aviation operations so you can focus on what matters most.

With a team of seasoned professionals and a mindset of precision & we go beyond expectations ensuring seamless execution from takeoff to touchdown.

**Dr. Ahmad Alzahaili**  
*FOUNDER*
